TARA LYNN FOXXY!

Dear FOX: Ho-lee-shit, Tara Lynn FOXX. When I saw her on your cover I quickly bought two copies—one to “use” and one to save. I swear I stroked my cock so much looking at those photos that I nearly rubbed all the skin off. I would have happily bled to death for the cause, she is so fucking fine I can't even stand it. Those lips! Those unholy dick sucking lips I want to feel them all over my body especially on my balls. I wonder if she eats ass. I would eat her ass in a heartbeat. I bet she has the sweetest tasting asshole. I would even drink her piss and I'm not even into that sort of thing. God what a dream-girl. And those red pumps she was wearing.

I would love to get my hands on one of them so I could crunch my nose up in there and smell the traces of her perfect feet. Then I'd cram my cock into the toe of her shoe and leave her a nice jizzy present and then I'd have her slip those pumps on again and take her from behind while my cum squished up between her toes. For the record: *I am not a freak!!!*—Baldwin in RI via email

A FULL-ON O-RING INVASION

Dear FOX: I have two words for you: MORE ANAL. I want to see raw, red gaping assholes on every single model throughout your magazine. Otherwise, why bother? I don't get it when a girl will allow her box to get all

banged out but treats her asshole like it's some sort of sacred portal. What are they saving it for? Marriage? They need to stop acting so stuck up and relax and give up the booty already. There is not reason that the hardcore porn talent you specialize in featuring shouldn't be peeling apart their cheeks and cramming their pucker full during every single photoshoot! I'd tell them: Don't want to do anal? Then go work at McDonald's, hon. I want to see a full-on O ring invasion, hiney holes lubed up and laid into, stretched to the point of snapping. I want to see all kinds of close-up shots of the models' faces as their back doors get pounded the fuck down. Get it?—Doug in PA via email

MACK'S DADDY?

Dear *FOX* Magazine: I had never heard of Christy Mack before I saw her in your magazine but I totally fell in lust the second I saw her and hope that you will run her again. I always considered myself to be the type of guy who went for natural-looking chicks with real tits and whatnot but as soon as I saw Christy's beautiful face it didn't matter to me whether she had gills or a third arm. And anyway her bolt-ons are beautiful in their own right. They look great from the side. I like fucking girls in doggie anyhow so as long as I can feel nipple popping against my palm I am good. But goddamn she is gorgeous. Her ink even does it for me. I want to shoot a hot load all over her body and cover the pretty colors beneath her skin with a nick thick layer of my cum. I bet she'd even lick it off afterward. She looks like just that type too. —*Vincent in WA*

ANOTHER WHITE KNIGHT

Dear *FOX*: What is up with that Anne Melbourne? She seems way too hot to be involved in the sex biz. Seriously, she's got like A-list Hollywood type looks. I could envision her acting on TV or something like

that. Not that I mind her making poor life decisions like posing naked and shit like that. It sure gives me something to be happy about. I bust a nut all over her sticking that dong inside of her except I imagined that instead of a toy it was my hard cock entering her. Her V-hole looks so smooth and tasty, fresh, just the way I like them. All women are built differently down there and some are unfortunate enough to have ugly vaginal situations and I feel for them and wonder if they ever get eaten out. I would eat Anne Melbourne all day long and all night too. I would make her cum so many times. I know I could make her cum so hard that she would shiver. She totally needs a guy like me to look after her and take care of her and eat her out all the time. Porn is a fucked up industry and I wonder sometimes if the women have anyone looking after them when they go home. —*Ryan in WV*

BURNING FOR HOT BUSH

Dear *FOX*: My very first girlfriend was a redhead—I mean a TRUE redhead with a curly red bush. It looked like she had a clown wig down there. Well of course you know what I'm going to say next—I've been into redheads ever since. But it is so rare to find one

that is 1) a TRUE redhead 2) doesn't shave her pubes (usually to hide the fact that they aren't a TRUE redhead 3) that likes anal sex as much as I do (although I suppose this has nothing to do with hair color.) You guys there see so many different girls, all of which are willing to take their clothes off and more, so I am wondering if you can keep an eye out for any TRUE redheads and then take them out to the desert or something (I cum the hardest to pics of women getting naked outside don't ask me why) and photograph them maybe with a nice fat black dildo stuck in the middle of their thick red bush. They have to have a full bush—if you need to pay them extra to get them not to shave for a few weeks let me know and I will gladly donate a few bucks to the cause. Thanks so much. —*Gary in OK*

IVANA SOME SUGAR

Dear *FOX* Magazine: That Ivana Sugar babe who was in that one "On the Set" piece was probably the best looking babe I have laid eyes on in a long time. Can you do a full spread on her, please? She is so stunningly stunning I want to put my dick all over her, inside very one of her holes. —*J.J. in OR*

STELLA
BANXXX

PiXXX by Steven Andres

Some girls you just want to fuck and forget—have her, high-five her, and hightail it before she can snag a Kleenex to mop up your spunk. Others you can envision enjoying over and over again—banging her out from every conceivable angle, spooning her up for a little snooze, waking a few hours later to work her over once more. Sweet-faced stunner Stella Banxxx definitely belongs to the latter category. She's so blonde and yummy that it's hard to imagine ever getting enough of that glistening puss or those scrumptious tits. There's even something orgasmic about her smile—it's so sincere, the way it stretches wide across her beautiful face. This girl's a good time and she knows it. Her kind of loveliness is so easy and natural that there's really only one way to enhance it—drizzle a few thick, warm squirts of dick sauce across her silken skin. 🍆

PIXXX & ARTICLE BY JEFF HUBRIS

Skin Diamond is an extremely hardcore sub. We can theorize but may never know for sure what worms turn in the subservient, or for that matter, the dominant brains of those who obsess upon the power discrepancies between individuals. She is very well-spoken and can wax eloquent regarding her subjective nature and is in fact like right now, as you and I speak, recounting the finer points of a recent bondage scene extravaganza where a bag was placed over her head in response to her tearing up.

"It's just like a natural release for me from the pain but you're not allowed to show tears because if you cry then they have to check in with you and stop. That's how they can get away with being so mean. If he knows a girl is going to cry a lot he'll just cover her eyes or put a bag on her head because that way she can cry all she wants and he doesn't have to stop. I'm always going to cry but it doesn't mean I want to stop."

So I'm telling you this because I wanted to provide an example to drive home the point that Skin Diamond, an American who grew up in Scotland, through porno has found a mode of self-expression that works, and has found her magical bliss.

"Porn actually saved my life because I was in a bad place," she explains. "I was just stripping and I was doing a lot of drugs and drinking all of the time and getting into situations where I could have died. I started doing porn and it like gave me a focus of something to work towards."

Yes, for those who truly hang their asses out over the line, doing porno can actually have a stabilizing influence. Pornography is about helping people.

Now that you have some backstory I think it's fair to tell you that there will, unfortunately for some, be no bondage or humiliation this porn day. There will be, instead, a relatively normal, straight forward boy/girl bang out between Skin and Johnny Castle. Shel Black shoots a lot of stills and it goes smoothly because Skin really, really knows how to pose for a camera. He shoots an intro in which Skin shows up at the front door, the NYC friend of Johnny's sister who's out of town. He greets her at the door. Hotness! He's blown away! Baum chicka wow wow!

There's an interlude of dialogue and after some frottage she gets naked except for her sneakers and climbs on reverse cowgirl.

"I just like to fuck," she comments slowly during a break. "Your cock is the perfect size. I really like this position."

Skin has a fuck look. Genuine immersion in being penetrated, with eyes continually at half mast, playing to the camera and doing a smiley thing when she has to but otherwise just engrossed in the feel of the bang out. For real.

Shel Black makes suggestions that are answered with a swept away, breathless, "Okay." Directions are dutifully carried out. If you're looking for someone to follow orders, you've found the right porn girl, mister.

SKIN DIAMOND: I just enjoy myself and I think it shows. I think smoking cigarettes is really sexy. That's why I haven't quit. I just enjoy smoking. I like the act of smoking. Yeah, it's an oral fixation. ...I grew up in Scotland, because of my Dad's work. I moved over there when I was four. I went to school there and everything. I just moved back almost two years ago. I'm twenty-five. My parents are American, that's why I always had this weird hybrid accent. You can hear it in certain words I say. I pick up on accents so easily and when I'm around other Americans I kind of lose my accent. I lived there twenty years. So I kind of see myself as Scottish even if I'm not. Scotland is where I started modeling...fetish and stuff. That was almost my porno training because I learned how to pose and tease and be sexual, I just hadn't actually fucked on camera. So I guess I found my sexuality in Scotland. My last real job I was the assistant manager of a bookstore but that was many years ago. I hung out in London a lot. I used to model at the Torture Garden. It's only the most famous fetish club and they tour all over the world. I've been trying to convince David who runs it to come to L.A. because L.A. is in need of a good fetish club. There's not really a fetish scene here. In London you get a lot of your European people coming over so the scene's a lot bigger over there for that reason. I've never been to New York but I've heard the scene is really fun there. I think I was just really intrigued by fetish from an early age. I was always into more risqué kinds of things. I find cartoons very eroticizing and it doesn't surprise me that I'm into Hentai now. I can do a great impression of a little girl Japanese voice. And I'm not saying anything in Japanese. I'm good at voices. ...I was very shy growing up. And although I wanted to have sex I was afraid I'd be bad at it. So my past boyfriends when I was in high school would all break up with me because I wouldn't have sex with them because I was too shy. I would make out and kind of fool around but when it came to actually fucking I was all like...good things come to those who wait. They missed out. My first ever sexual experience wasn't a great one. But then after that it was kind of gradual I guess. I remember the first time I gave a guy a blowjob. He was renowned for being one of those guys who could last for ages and has a really big dick and I made him cum in like five minutes. I was really excited. I said, *Yay, I'm good at it!* When I first started having sex I had anal sex really quickly. That was kind of by accident though. All of a sudden it was in there and the guy that did it didn't even know he was fucking me in the ass. I told him afterward, *Oh yeah, I liked it when you put it in my butt, I've never done that before.* And he was like, *No I didn't.* And I said, *Well, I think I would know. Especially if you've never done it before...you kinda remember.* But it was really amazing. My first real boyfriend that I really got down with we would fuck for hours. At one point his mom walked in and it was crazy. I always dated older guys too. I've always liked older. Older guys are more experienced. I think a lot of girls find themselves being more attracted to older guys just because women mature a lot quicker than guys do. I never really liked guys my own age. Even now, my master is almost forty and he's awesome.

SKIN: I did my first porno in Paris. That was before I really saw myself getting in the business. I always said I would never become a pornstar because I love sex so much that I was afraid that if I made it my job I wouldn't like it anymore. Like I would get so bored with it. But I shot for Burning Angel. Joanna [Angel] and James [Deen] had gone over to Paris to shoot *European Vacation* so that was my first porno. I did a girl/girl scene and I ended up enjoying myself so much and I fooled around with them off-camera and they were like, *Oh, if you want to change your mind about doing boy/girl we'll change your flight and you can shoot some more scenes.* And I was like, *Oh...okay, I'll do it...whatever.* I did my first anal scene on that trip too, so I kind of just jumped right into it. I've done a lot of things for the first time on camera. The first time I ever did more than one guy at once was on camera and the first time I started deep throating was all on camera. Porn gives me the opportunity to do all these things that I've been interested in for a long time but just maybe didn't have the opportunity to do yet. ...I'm a sub but I do have dominant tendencies, usually more towards girls, especially really innocent-looking girls. I kind of want to corrupt them almost. But when it comes to guys I like being dominated a lot. I just have one master. This is my 24-7 collar that I never take off and then I have a tattoo with his initial. When I had my collar ring ceremony I got tattooed. This is my collar for special occasions. I get marked up pretty good sometimes. I like a little bit of everything, really. I just like experiencing new things, things I've never done before. That's what I love about it. I just love experimenting and I'm hoping that it never gets to the point where I run out of things to experiment with. ...Although my folks are Christian and everything they're really cool and they know what I do. The main thing they were worried about was if I was being forced to do something I didn't want to do or am I going to end up being a drug addict. I'll party sometimes but nothing like I used to. Those were some crazy times. On my Dad's side I'm Ethiopian and Danish and my mom is Czech, Yugoslavian and German. I'm a real mutt. ...With anal I think it's kind of a deeper orgasm. With vaginal I can cum extremely easily. I always say that you have to be really, really bad to not make me cum. I guess I'm just so super sensitive. It's harder to make me squirt but I'll cum in like a second from vage. My kegel muscles are so strong and I've been able to control my kegels from being really young. It was just from like not going to the bathroom and then I would like hold it and that kind of thing. I really don't feel the need to do the exercises that much. I do them when I'm fucking a lot. As soon as I get penetrated I start working them because it's just kind of second nature. ...I was so nervous the first time. I had no idea what to expect but as soon as it started I was able to forget about the camera and just enjoy myself, and I guess that's sort of what I still do but you have to remember to not forget about the camera completely but I really like just losing myself in a scene and I feel that the messier I am at the end the better the scene is. If my hair is frizzy and crazy looking and if my makeup's all over my face then I got fucked good. DPs are really intense. I'm a very petite girl and my holes are very small. In a DP I can really feel myself stretching and I think it's the ultimate form of being taken. Before I had done a DP personally I always loved watching them and I always wanted to try it. It's just very intense and you have all of these sensations going through your body and it's just really great. ...When guys are so super nice it's overbearing a little bit. Stop it. Just be mean to me. Treat me like shit. Ignore me. I respond better to that. When the only thing someone is saying to you is oh you're so pretty **YOU'RE SO PRETTY** oh you're just so charming it's like **CAN WE TALK ABOUT SOMETHING ELSE?** I'm uncomfortable. I really don't know what to say. Because I'm so sexually attracted to dominant males, when a guy is really subby toward me I do really do see him as pathetic and I'm like well I'm just going to beat the shit out of you then. If you're going to grovel like that, **EW!** ...I like gangbangs better than orgies because I get all of the attention.

Shel asks for another ten minutes of banging and queries Johnny as to his pop delivery preference. He chooses the very popular “fuck to pop” option that will be achieved from half spoon. When he’s there he whips it out and Skin starts sucking. She drizzles load out onto her chest in a skillful jizz ribbon glorification session for the camera, all showbiz all of a sudden, but the eyes are still evil and at half-mast. Perversion lurks behind these windows to the soul. Deep in.

“That was fucking amazing,” says Shel Black, obviously pleased. During the course of this interlude there were several moments when Skin screamingly implied the occurrence of an orgasm stream. For pornographic purposes, in most cases the authenticity of the on camera “orgasm performance” is not cast into question because it’s basically immaterial to a video portrayal of all of that, but Shel asks her if she was faking anyway.

“When I say I’m cumming I’m really cumming and I came the entire time!” She says resolutely. “His cock is the right shape to hit all the right spots.”

I can also tell you that, at least on a friendly, conversational level, Skin Diamond is absolutely awesome to be around. Especially as of late she’s been gaining a reputation as one of the great sexual throwdowns in the business and, surprisingly enough, not at all a pain in the ass to deal with—which is saying something, especially in these days of diminishing porn expectations. She overhears Shel mentioning that Johnny requested her for this scene, something she had no knowledge of.

“Oh yeah!” Castle says. “I was dying to work with you!”

Skin answers back, “Well, I’m glad you did!” And then heads to the bathroom for clean-up.

Johnny fucks a lot on camera and comparisons between bang outs are inevitable.

“That’s definitely a refresher after yesterday,” he says with relief. “There’s a smile on my face for the rest of the day. Priceless, this girl!” 🐱

Georgia Jones & Shyla Jennings

A photograph of a woman lying on her back on a bed with a striped pillow. She is looking towards the camera with a slight smile. Her legs are raised and spread wide, showing her buttocks and thighs. A small tattoo of a bird or winged creature is visible on her upper right thigh. Her hands are resting on her thighs.

There is nothing in this world as pleasing as gazing upon a pair of pretty girls, particularly if the pair is in the process of slathering each other with pleasure. Georgia and Shyla are a couple of astonishing creatures that, when teamed up, take hot mess to a whole new level. Together lying naked, twat to twat, tongues entwined, nipples electrified, the hole becomes greater than the sum of its parts. Shyla and Georgia share a sexual synergy so thigh-twitchingly, breast-heavingly, clit-achingly magnificent that each endures intense aftershock O's long after parting ways. Notably, their climactic collaborations don't rely upon any fancy gadgetry—the abundance of lez vibes that inrum naturally through their va-jays render the battery-operated kind completely unnecessary. All that's required for these babes to reach the pinnacle of Sapphic bliss is the eager mouth, warm breath and gentle hands of the other. And the rest, as they say, is *herstory*. 🐱

ALYSSA BRANCH AND DANNY

@AlyssaBranch

Porn princess Alyssa Branch is not only graced with a magical, must-have pussy, she's got a set of sexy-ass dogs as well. Soft, smooth, and pedicured to perfection, the tops of her tootsies are acrawl with delicate, sensuous vines, thereby making her a favorite amongst foot fetishists. Freaky photographer Danny, for one, lives to spill his seed upon the flowery filigree inked above her arches. He schedules a shoot with her every couple of days so he can soak the scrollwork atop her hooves. Although the power of Alyssa's peds is so strong she could keep Danny's cock spitting happy sauce simply by smooshing it tight between her soles, she makes him earn the tickle of her toes by having him fuck her silly first. She wriggles around on his wood until she has an O, then steps all over his meat with her feet until at last he explodes his load. 🐱

KARINA
WHITE

Knockout Karina calls herself an iconoclast and it's quite clear that if that's the case then she's a rebel with a clue. She's all too aware of the sway her 5'9" flawlesseness has over horny men and women around the globe and has wisely chosen a profession where she can revel in nakedness. Thus, she is able to show off the sublime curves of her full, round majestic tits and matching ass to their fullest advantage, flaunt those slim, mile-long legs that lead their worshipers directly to a set of the pinkest, plumpest, most fuckable pussy lips in all of Porn. All Karina has to do to rule the world is fling wide her perfect thighs and pull apart the wet petals of her cunt. Admirers everywhere will grab up their wood in tribute, jerking frantically to pay homage to her almighty slit and shower her image in liquid love. 🐱

PIXXX & ARTICLE BY JEFF HUBRIS

The ever creative and resourceful Ivan is changing it up yet again, going for a '70s themed lesbian probe fest starring Sacramento girl Kendall Karson and the storied, formerly fast burning, shooting pornstar Natasha Nice who is now attending school to be a marine biologist. Ivan has always paid close attention to porn scene context and also loves to highly accessorize his ever-changing porn moods whenever feasible. He's an interesting gentleman who will scour Los Angeles for strange and unusual accoutrements that other porno directors would only dream of in their strangest delusional night sweats.

"I have all these props and all this furry stuff so we started setting up disco balls, balls of spinning light and a smoke machine," Ivan emotes. "It's going to be pretty cool."

FOX: You look like you've lost weight.

NATASHA NICE: It's the sex and cum diet! You like it?

Tell me about your tattoo.

It's faith, love and hope. I had a near-death experience my senior year of high school and it just reminds me to live life unconditionally everyday and to not take life for granted.

I'd forgotten how awesome your clit is.

I think what happened is that I was about to become a boy and it went the other way and I turned into a girl. That's seriously my scientific theory, because it is a mini penis. It was about to become a head or something I swear.

KENDALL KARSON: I'm from Sacramento but I live down here now. I'm twenty-four. Before I started doing this I was doing lots of stuff. I had a gourmet cupcake company. I'm actually a geek, I came from computer and cell phone technology, and I'm a certified pharmacy technician as well. I did a little bit of everything. I actually wasn't looking for porn. I started off in the industry modeling doing implied nudity, glamour and swimwear. I was in a long-term relationship for three years with this guy and I was lucky if he gave me sex once a month for like five minutes. He was small and never liked anything but missionary and doggy. I tried bringing girls in the relationship and I tried toys, I tried role-playing and he wanted nothing to do with anything so when I broke up with him I came down to L.A. for two weeks of photo shoots and someone approached me about doing a photo shoot of no sex, just stills. It ended up getting canceled at the last minute and they told me that they had someone willing to represent me and I went and met with them and one thing led to another and two weeks later I moved to L.A. and started porn. I figured it was a great opportunity just to try everything I've always wanted to do sexually in a safe environment. It wasn't that big of a change for me. I have always been a very sexually playful person and curious, always wanting to try new stuff. I think for me it was just about going on set and being professional and having the adrenaline just taking over you and getting through the scene when you first start, now I love it. Now I get lots of great sex all the time. ...The guys are much bigger in the industry. There are days when I go on set and my eyes get big and I'm going, *How is that going to fit?* ...I like to switch it up. Sometimes I like to be the dominant one and sometimes I like to be the submissive one. I like girls and guys, I like it rough and sometimes I like it more passionate, it depends on the person that I'm working with. ...You know what? I actually didn't have my first girl/girl experience until I got into porn. I was crazy sexually but none of my exes ever allowed me to be. I love making like a connection with the person that I'm working with but anytime there's sex and a vibrator involved you can't get much better than that. It's like the ultimate, right? And a dick in the pussy, awesome! I masturbate often and I usually use my little vibrator and Hitachis are amazing as well. I watch porn and fantasize about things I've always wanted to try. There are lots of things that I still want to try, multiple guys and being cummed all over and stuff like that. I'm looking forward to it. I've just done boy/girl and girl/girl. I didn't do my first girl/girl until about two or three months into the industry. For me, if a girl has a clean pussy I can eat it all day long and never get bored with it. I like being able to get other girls off. There are really not that many guys who know how to eat a pussy well. I only did anal with girls with nice big toys. I can get off from anal especially when I have a vibrator on my clit. I actually think the orgasms are more intense. They're completely different. It feels extraordinarily different. It's a lot more intense. Plus it's not something you get is often so it's a better feeling. ...My ex told my family a week before Christmas about me being in the industry. My parents are Baptist missionaries and they're very religious and conservative so they didn't talk to me for about four and a half months. I just saw them for the first time this last March and I'm going back again this weekend to see them. We talk more now, not like we used to because we have a really close family, maybe like once a week instead of every day. I plan on being in the industry for several more years. I have no goals that I definitely want to achieve. I want to be like in like the Top 100 on freeones.com and I definitely want to be nominated for some awards. I want to have a couple parodies out because love acting. I'm really, really anxious to do some parodies.

Ivan starts out by shooting an artsy, satanically lit solo with each girl doing herself separately. Here the idea is that each girl is well lit and floating in blackness, just like it would be in actual Hell immediately prior to being thrown by Satan into the never consuming, eternal lake of fire. When that stage is complete, we traverse the time space continuum to arrive back in a plastic realm of intellectual vacancy and pastels that's JUST LIKE the 1970s. I know this is real because Ivan and photographer Steve have cranked up the smoke machine and it happens to be working very well as a matter of fact, filling every nook and cranny of the facility with a semi-noxious haze.

In addition, Ivan will be providing some additional playthings to intensify the fun.

"I have these toys that spin and light up so the girls can play with each other with all these streams of light," he says joyfully. "That's what my brain looks like by the way. Like if somebody cut my head open. That's what's inside my brain."

Beanbag chairs and all manner of brightly colored plastic clocks and radios are strategically placed, so it is now time to disco down. One more thing: "There's going to be a lot of spit," Ivan adds. "These girls are spitters instead of spinners."

As Kendall and Natasha get naked and start working over each other's beef curtains, I must admit that as a marginal photographer and terrible interior decorator myself, I'm all verklempt at the striking, high-contrast lighting and the colorful scenic beauty of the Sapphic tapestry playing out before me. The constant need to suppress coughing from the all pervasive, lung irritating, artificial smoke while video rolls is a small price to pay to actually experience this Bob Guccione-esque "magic veil" visual effect in real time. Back in the day he took the easy way out by smearing Vaseline on the camera lens, but Ivan goes one better by filling an entire warehouse with smoke! It's the real thing! These girls are great and super nice, and here again, another uniquely weird porno visual feast has been realized by doing things the hard way! Ivan, you are the man!

NATASHA: Yes, I'm going to school in marine biology. I'm kind of a science geek. In high school I majored in all science classes. ...Personal life? My personal sex life is alright. A couple times a week. Same person but I'm not really dating him. Every now and again I'll like fuck some girl, you know? It's nothing nuts. I'm sober now and I don't really party that much. I'll go to barbecues and I'll go to Roscoe's Chicken and Waffles or something and that's the extent of my going out or whatever. For the most part I'm just concerned with school and work and I'm kind of done with partying. It's fun when you're a lot younger. I enjoy porn sex a lot more now because it's not a daily thing. I'm not working like every day, so when I do have it I'm like, *Fuck yeah, I could really go for some hard cock right now!* Off-set I'm more like toned down. You would never know I'm a pornstar. On-set it's a completely different story. I'm a sexual being and when I'm on-set is kind of like my playground to do what I can't do out there. ...I did an anal girl/girl with Asa Akira for my site but anal just really isn't my thing.

However, there are two very critical breaches of '70s protocol here which present a serious authenticity problem—relatively clean shaven pussies. I have it on the best authority that shaved or even neatly coiffed pussy hair was an extreme rarity during the time period in question. Instead, nearly all women sported the unadulterated “Queen of the Forest” pubic hair blanket that is currently experiencing a marginal popularity resurgence within certain circles. But as we know, neither style option interferes with the vagina's ability to fulfill its ultimate destiny, so we're happy anyway. Strange though that the naturally grown, hirsute coochie is now the fetish. Up is down, down is up. The universe can blow up now. It's all over. I'm just sayin'.

Tracey is a handy little slut who goes through a lot of different tools during her ongoing cunt-construction projects. She keeps multiple options on hand at all times, but favors the long, smooth, clear acrylic dongs because they are so sexy and so easy to handle. Plus, she just feels classier when impaled upon a sleek, glassy-looking cock as opposed to one of those rubbery, flesh-toned types. Her fancy fucksticks of choice are available in magnificent, mound-boggling shapes and come covered in myriad bumps and ridges, all specially designed to give their user a killer climax. Ms. Sweet keeps her two faves tucked away in her belt, within easy reach for whenever it's time to tinker with her stinker. She's one of those rare gems of a girl who can't get all the way off without something stuck up inside her booty...what's the name for it? Oh, right, *anal attentive*.

The Twitter Interview

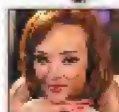

By @Gabriel_Lan

Audrey Hollander

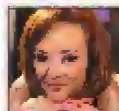

When FOX offered me the chance to represent the "Average Joe" and conduct social media interviews with the world's sexiest pornstars, never in my wildest dreams did I ever think I'd have an opportunity to interview someone who's made such a lasting impression on the adult industry as Audrey Hollander. During her illustrious career, Audrey has received multiple accolades and awards, including the 2006 AVN Female Performer of the Year, but forget about all that. This woman changed the game. After she hit the scene, "extreme" gained a whole new level of popularity. A wave of popularity she rode all the way to the top. Audrey was, and still is, a true pioneer in the jizz biz. You cannot discuss who the most dynamic performers of all time are without throwing her name into the conversation. Acceptable terms in describing Audrey Hollander: Legend. Game Changer. Hall of Famer. Trailblazer. Fairly new to Twitter, Audrey has quickly gained over 6,000 followers. Expect that number to multiply at a rapid pace now that she has returned to industry.

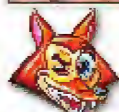

@Gabriel_Lan: How long have you been "retired" up until now? What did you do with yourself during your hiatus?

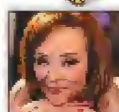

@RealAudreyXXX: I enjoyed a normal life. I laid out by the swimming pool, worked out a lot, and just got healthy. I watched a lot of food network.

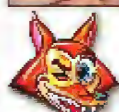

@RealAudreyXXX: I've really gotten into the whole foodie thing now. I love to cook and try new things with food.

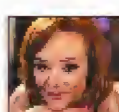

@Gabriel_Lan: Is it just me, or are those shows with Giada in them deliberately shot with a sensual, sexual tilt to them?

@RealAudreyXXX: Yeah! They totally do that but you know, she seems to like it. Just look at the clothes she wears. She's SO encouraging that.

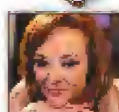

@Gabriel_Lan: You are already a living legend in the porn world as far as I'm concerned. What made you decide to come back?

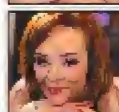

@RealAudreyXXX: I wish I had a better answer for you but truth of the matter is, in the end like most things, it came down to money. Now that I'm single I have to support myself and being a very recognizable performer from the adult industry, it's not always easy to venture out into the mainstream.

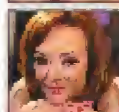

@Gabriel_Lan: How long has it been since you last shot a scene?

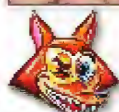

@RealAudreyXXX: It's been over a year. I was talking to my friend Kelli when we realized something:

@RealAudreyXXX: This will be the first time during the span of my career I won't have a movie I was in nominated for an AVN award. That makes me kinda sad.

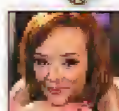

@RealAudreyXXX: It's not even about winning the awards. It's just nice to say that every year I've been in the business I've had movies nominated.

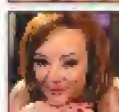

@Gabriel_Lan: Wow! That's an impressive run. I still think you're underrated as a performer. You don't seem like someone motivated by fame though.

@Gabriel_Lan: What is it that motivates you to put out incredible performance after performance?

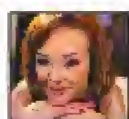

@RealAudreyXXX: My fans. Totally my fans. Without my fans I would be nothing. I can't tell you what a huge smile they put on my face.

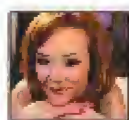

@RealAudreyXXX: They write me the sweetest notes and messages and send me the most wonderful gifts.

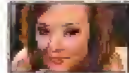

PiXXX courtesy of Kink.com

@RealAudreyXXX: It's hard being on your own after so many years of having a husband to take care of you. But now I have the fans. They are all just so good to me.

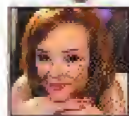

@RealAudreyXXX: For my birthday fans sent me vinyl panties, several pair of shoes and this awesome purple dress. I really am the luckiest girl in the world.

@RealAudreyXXX: I get to have my cake and eat it too.

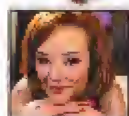

@Gabriel_Lan: Have you already scheduled your 1st shoot in the comeback? If so, who is it for/with?

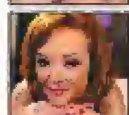

@RealAudreyXXX: I'm doing my 1st shoot for Kink. Actually I'm doing my 1st, 2nd and 3rd shoots for Kink and I've been in talks with Twistys for a shoot too.

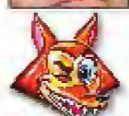

@Gabriel_Lan: You've done everything, and I mean EVERYTHING there is to do on camera. Is there anything that you'd like to do more of this time around?

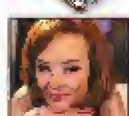

@RealAudreyXXX: I want to do more erotic stuff. We've all see me go crazy hardcore but I would love to do less this time around.

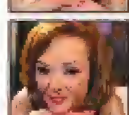

@RealAudreyXXX: Sure I'm game for a gangbang or two but I don't want every single movie I do to be that way.

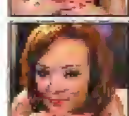

@Gabriel_Lan: Will going behind the camera and directing be something you plan on doing again as well?

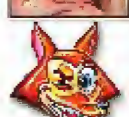

@RealAudreyXXX: Directing opportunities for female performers aren't as plentiful as one might think but I would welcome any opportunity that comes my way! :)

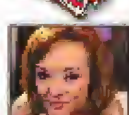

@RealAudreyXXX: Directing is very different from performing and it's really a lot of fun.

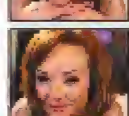

@RealAudreyXXX: I liked it a lot when I did it before and would love to do more of it in the future if I ever had the opportunity.

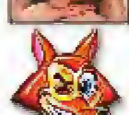

@Gabriel_Lan: Six years ago, you were AVN's "Female Performer of the Year." Is winning awards for your performances still a goal for you?

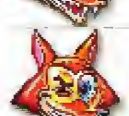

@RealAudreyXXX: I love award season! It's something special I think for all of us. We get to dress up in a fancy dress and play princess on a special night.

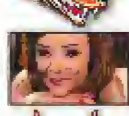

@RealAudreyXXX: How can you not love that? In fact, I've already started thinking about what I am going to wear to the show. I can't wait!

@Gabriel_Lan: Last year's Spank Bank Awards included a "Two Hot Dogs in a Hallway" award.

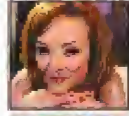

@Gabriel_Lan: Do you think renaming it the "Audrey Hollander Excellence in Double Anal Achievement" award would be acceptable?

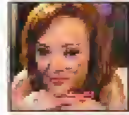

@RealAudreyXXX: That would be great! I would love that.

@Gabriel_Lan: *Catherine* is obviously one of your best known movies, and a true classic. Are you hoping to create another epic tale of equal quality?

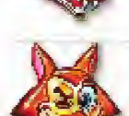

@RealAudreyXXX: There is nothing I would love more than to make another epic erotic movie like *Catherine*.

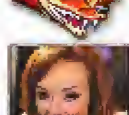

@RealAudreyXXX: I don't know how much of a reality that is though with the state of the economy but a girl can dream. :)

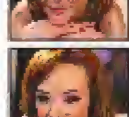

@Gabriel_Lan: That's true. Gonzo is so much cheaper to shoot, although recently there has been a renewed trend in making porn parodies with decent sized budgets.

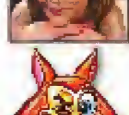

@Gabriel_Lan: If you could choose a porn parody of a movie or even a book to shoot, what would it be?

@RealAudreyXXX: Two things. I would love to play the quirky character of Effie Trinket from *The Hunger Games*.

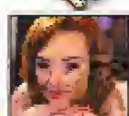

@RealAudreyXXX: Non-parody-wise, I was thinking how great it would be to do a prequel to *Catherine*. Could be another Michael Ninn classic.

@Gabriel_Lan: Besides all things anal, another signature of yours is your beautiful, flowing red hair. You recently went dark and short, didn't you?

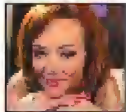

@Gabriel_Lan: Gonna stick with that or bring back the red?

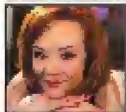

@RealAudreyXXX: I am going to go back red very soon. My first month of shooting though will be the dark hair.

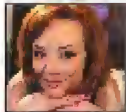

@RealAudreyXXX: It's easy enough to get longer with extensions but I really had to think hard about the color. I even spoke to my fans about it on Twitter.

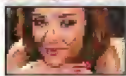

@RealAudreyXXX: I decided that although it's fun to change every once in awhile, in the end I am going back to red. That's just who I am.

@Gabriel_Lan: How often do you get recognized by civilians?

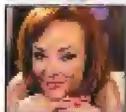

@RealAudreyXXX: I think because of my red hair, I have a very recognizable look so it would happen quite a bit when I would go out.

@RealAudreyXXX: With my dark hair, I haven't been recognized at all.

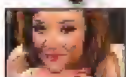

@Gabriel_Lan: What's the weirdest thing someone has ever asked you to autograph?

@RealAudreyXXX: Their penis. I get that one a lot. It's not really weird, but definitely different.

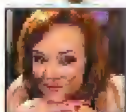

@Gabriel_Lan: Do you ever sign it for them? LoL

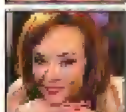

@RealAudreyXXX: Hehe. No, I haven't.

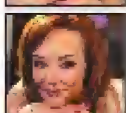

@Gabriel_Lan: Did you miss the fans while you were away? You definitely have a loyal legion of supporters...

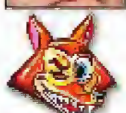

@RealAudreyXXX: Until recently I honestly didn't know I had that many fans in the U.S. I wasn't really exposed to them so I didn't really know I had so many.

@RealAudreyXXX: When I would travel to overseas, especially Germany, I would get a lot of fan attention, but I really didn't know about here in the U.S.

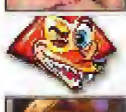

@RealAudreyXXX: But now thanks to things like Twitter I get to communicate with them and find out what they think. It's great. I love it.

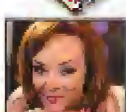

@Gabriel_Lan: LoL really? So, basically you felt you were the porn female equivalent of David Hasselhoff then?

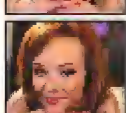

@RealAudreyXXX: Haha! Yes I really did! I was, well still am, very pleasantly surprised at the fan support I have online. It's been great.

@Gabriel_Lan: Do you think you'll be spending a little more time on Twitter now?

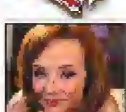

@RealAudreyXXX: I didn't even know about the world of online fandom until recently and it's been such an eye opening experience.

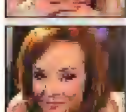

@RealAudreyXXX: I love it and I try and talk to my fans every day even if just to say hello and let them know I appreciate their devotion.

@Gabriel_Lan: Social media has given fans more access to their favorite stars (and vice versa) than ever. Is that a good thing?

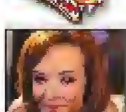

@RealAudreyXXX: I really think it is. I think it gives us performers motivation because now we really get to know who we are doing scenes for.

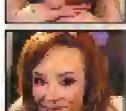

@RealAudreyXXX: With fans, it gives them the opportunity to really connect with their favorite stars in a very intimate way.

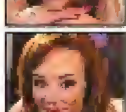

@Gabriel_Lan: What kind of reaction did you get from fans when you announced you were making a comeback?

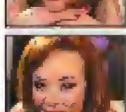

@RealAudreyXXX: I really didn't think most people would even notice I was gone let alone care all that much that I was going to be making a return.

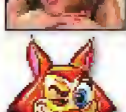

@RealAudreyXXX: I thought a few people might care but never in a million years was I expecting the overwhelming welcome back I received.

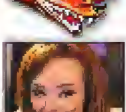

@RealAudreyXXX: I got so many messages and letters, 93 letters from one fan website alone. It really made me cry. I know that's silly but it did.

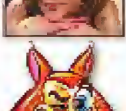

@RealAudreyXXX: It was such a wonderfully sweet feeling. I've never felt so loved and wanted in my life.

@Gabriel_Lan: Webcamming has given fans and stars an even more intimate, "personal" way to connect now. Have you gotten involved in that aspect at all?

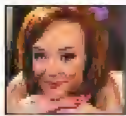

@RealAudreyXXX: Not until recently. I set up my account and booked my first live show. I am a little nervous but also excited. I got a new toy to play with!

@Gabriel_Lan: Now that you've been away from the industry for a little while, do you think you are just now reaching your sexual peak?

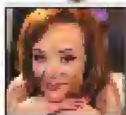

@RealAudreyXXX: I was never out of shape, but during the last year I've really stepped up my workout routine and I'm in the best shape of my life.

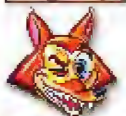

@RealAudreyXXX: That is no doubt going to have an impact on my sexual performances. I have more energy now. I am more flexible.

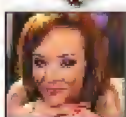

@Gabriel_Lan: This is gonna sound crazy, but...once your 10-plus year marriage ended, did you just go wild and party? LoL

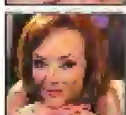

@RealAudreyXXX: A little. I enjoyed my freedom for a bit. I was what you would call semi-selfish for awhile. Now I've started to become more career minded.

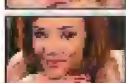

@Gabriel_Lan: Have you started dating again? I'm sure you get this constantly, so...what do you find attractive in a man?

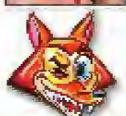

@RealAudreyXXX: Not really. I've been on a few dates but nothing really major. I like being single but I also am a huge romantic at heart and

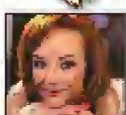

@RealAudreyXXX: I would love to meet that someone special that loves me for me. I would love him to be aggressive, decisive and intelligent.

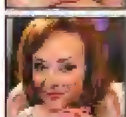

@RealAudreyXXX: Intelligent men really turn me on.

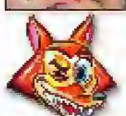

@Gabriel_Lan: How about a woman? What makes a woman sexy to you? Would you ever date a woman?

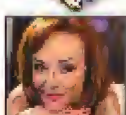

@RealAudreyXXX: Yes, I would date a woman, if I found the right woman. Confidence is incredibly sexy in a woman.

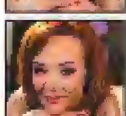

@RealAudreyXXX: Every woman is beautiful in some way but there is just something so sexy about a woman who is comfortable in her own skin.

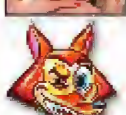

@Gabriel_Lan: You moved back to your home state of Kentucky after your divorce. Has the Southern accent come back while spending so much time around it?

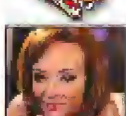

@RealAudreyXXX: When I'm tired it comes out more. For the most part when I speak to people they don't even notice my accent.

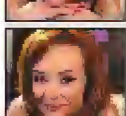

@RealAudreyXXX: But when I've been on the set all day and start to get really tired and cranky it does come out lol.

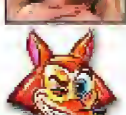

@Gabriel_Lan: Do you have any hobbies or activities that you are involved in? Things you do just because you enjoy doing them? Obsessions? LoL

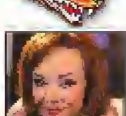

@RealAudreyXXX: I'm a neat person, very organized. I guess you can say I'm obsessed with buying those containers and organizing everything.

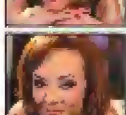

@RealAudreyXXX: I also love reading. When I go on set I always like to have a good book with me because sometimes in between shoots it can be long and boring.

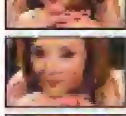

@Gabriel_Lan: Do you think that being single this time around will change much for you as far as who you'll shoot with, how often, etc?

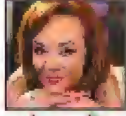

@RealAudreyXXX: It will change everything in terms of who I shoot with and how often.

@RealAudreyXXX: Now I control my scenes. Not just how many I do, but who I do them with and I'm open for about anything right now!

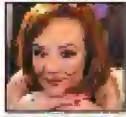

@RealAudreyXXX: I can't wait to jump on some of these studs in the industry.

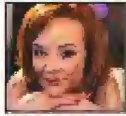

@RealAudreyXXX: I've already made my list of men I want to work with too based solely on how good looking they are.

@Gabriel_Lan: LoL care to reveal any of the names on this list??? Just how long is this list??? LoL

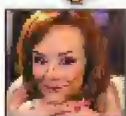

@RealAudreyXXX: One of my first scenes back is a 5 man gangbang and I was lucky enough to go through a catalog of guys I thought I'd want to work with.

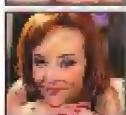

@RealAudreyXXX: You know who I really want to do? I mean...perform with? :) Keiran Lee. He is H-O-T!

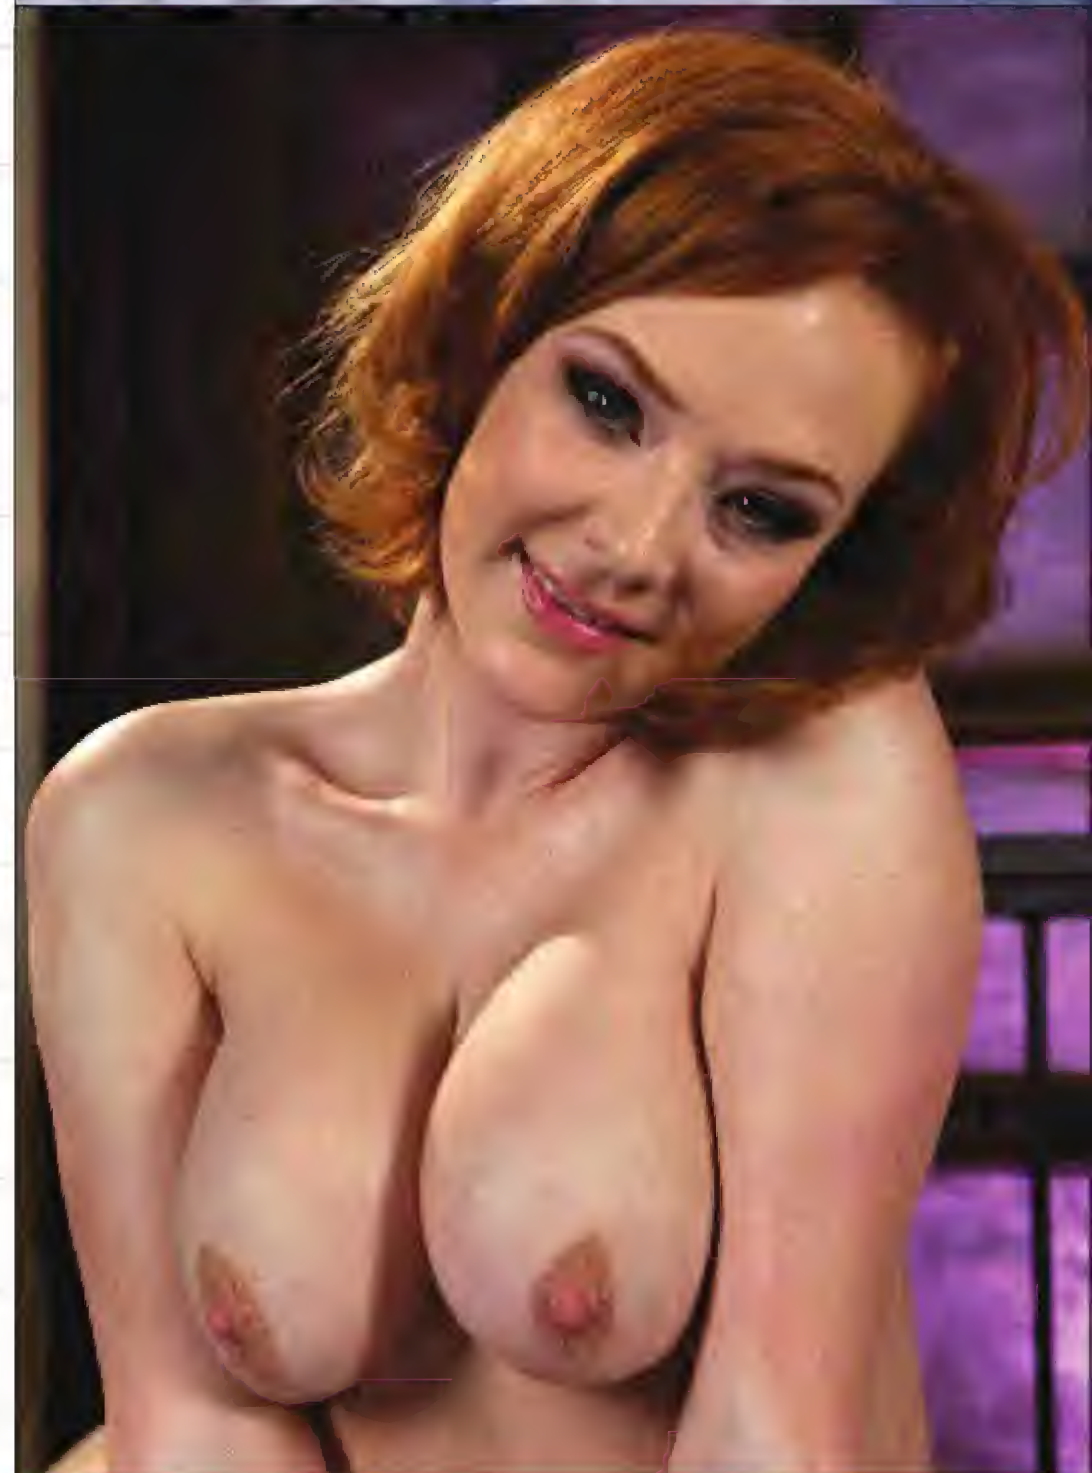

@Gabriel_Lan: Weren't you majoring in education in college? Did you ever get your degree? Is being a teacher still a possibility at some point?

@RealAudreyXXX: While in college I was pursuing my degree in elementary education. To be honest, we all know that's no longer a career option for me.

@RealAudreyXXX: I'm a realist. I know that parents aren't going to want someone they call the "anal queen" teaching their little babies. I'm okay with that.

DIRTY MINDS

Q&A by @Gabriel_Lan When FOX wanted to know if the old adage "Great minds think alike" also applied to dirty minds, we went straight to the two best sources we could think of to figure it out: the dirty little sluts of the porn industry, and our filthy, perverted readers! With the more commonly asked questions of porn fans everywhere providing the basis from where to begin our analysis, today's hottest pornstars provided all the sick and twisted answers to review in our hypothesis. Here is this month's featured question:

Do you have a sexual fantasy that you haven't fulfilled yet?

CADENCE ST. JOHN: Actually, I don't right now. I have been really sexually fulfilled, amazingly.

AIDEN STARR: Well, I've never been married.

VERUCA JAMES: I love sex in public so every new place I visit is an all new fantasy.

VICKI CHASE: I fantasize about my first DP. It has to be amazing! I think Nacho and Ramon should tear me apart.

REMY LACROIX: I hope I always have sexual fantasies to be filled, but right now I'd say a five-girl orgy—pajama party style!

GRACIE GLAM: I have never been DP'd before! I must make this happen soon on or off camera.

ASHLI ORION: I've never been seduced by a vampire while sitting alone at night on a park bench. Lol. I don't think that'll ever happen and if I did it during some role play, I'd LMAO.

CHANEL PRESTON: I have never been with a butch chick. I imagine her taking complete control over me with a thick strap-on.

ANDY SAN DIMAS: Yes! I want to get fucked in the ass!

LOLA FOXX: I've always wanted to go to the Bunny Ranch and pay a girl for sex. I think it would be a thrilling experience! How awesome would it be to get to say you've fucked a hot chick at the Bunny Ranch!?

BROOKLYN LEE: I've been dreaming about getting DP'd by Lex Steele and Mr. Marcus lately. I've yet to have my holes filled by either of them. I'm down for both at once.

AMY BROOKE: Anal cream pie then I rub it on all my holes. I have to make sure I don't waste it! Taste it! Every last drop :)

LILY CARTER: I gain new fantasies everyday. I don't think my fantasies will ever be fulfilled lol. A major fantasy of mine lately is sexual humiliation. Guys making me have sex with them and making other people watch. I'd also love to be able to tie a man up and mess with him. Poor hot wax on him, slap him, shock him, whip him. Everything they do to the girls on kink.com, but to a guy. I do love just simple sex too... I'm not a total freak lol ;)

LIZZ TAYLER: I want to seduce like two girls in a sauna, it's always been a fantasy of mine... hot steamy sweaty wet slippery girls all over each other and neither of us can get enough, so we just keep going at it...

JESSIE ANDREWS:
Nope.

31932

KRISTINA ROSE: Fucking Marky Mark or getting fucked by two recently released prisoners (a black guy and a brown guy) and afterwards I give them a ride home from jail.

31644

32002

JESSIE VOLT: Yes! I'd love to have a dildo harness with two or three girls who all suck my dick.

32104

MELODY JORDAN: I want to have hot, passionate sex on a grand piano!

LILY LABEAU: As far as sexual fantasies go, I discover more every day. But it's more role play scenarios that I want to fulfill, scenes that I think would be amazing to shoot, or just dirty things I think up in my head from something I saw or thought about. I have many more dirty deeds to fulfill in my personal life and my on screen life.

31823

TARA LYNN FOXX: Yes I do! I really want to get back at my best friend for fucking me over by fucking her Daddy! He's young and sexy and tofally wants me :-)

Rick James pumps from a blaster at another house of copulational worship in the sexually transitory netherworld of Pornotown, USA. The good people of Los Angeles County have recently voted in a measure that requires the use of condoms in all porn shoots, the enforcement of which I, among many others, predict to be a very heady task for whatever policing organization is assigned this responsibility. Here we go again, running from the cops just like in the old days, but until then we're still fucking bareback like a bunch of hopped-up teenagers on meth, accountability be damned. Sex without rubbers and dental dams! Curse this time honored, vile, erotic procedure.

"What's going on here is whenever you're playing Rick James' 'Cold Blooded,' it's going down!" says Tim Von Swine. "I've got one of the best dick pilots in the history of porno and a hot big-titted newbie and it's on. It's gonna be funky, that's all I can say, man. Rick James, rest in peace—we love you!"

Swine sits opposite Amber Cox as she tries on different breast glorifying bikinis that will exalt her 32D rack to the greatest possible poundage. She has a decent amount of flesh to work with in this department but finding the best rack décor is still an exhaustive process of elimination. So many fun bags, so many containers. Just like in true love, it's the little things that matter, such as color for instance.

"This is tough because the pink looked pretty good," ruminates Swine. "But I think I'm going to take a gamble on the blue today."

Blue it is. Professional penetrator Sean Michaels shows up and Swine introduces the two. They shake hands and exchange niceties. Banging an infinite lineup of women that you've never met before, all with genetically distinctive vaginas is a cool job of course, that is if you go for that type of thing as opposed to banging the same vagina year in and year out. But as the meaningful relationship forward pundits say, love can conquer all, even the extremely damaging and soul killing VDD (Vaginal Drudgery Disorder) that has had such a devastating effect upon the non-promiscuous, sexual adventure-averse sector of our declining culture. Relatively anonymous sex is true and beautiful because nothing else matters. Complications are minimized.

"You look like you could be one of the Kardashian sisters," Michaels says.

"Yeah I get that a lot," Amber answers. "That and Penelope Cruz."

Her porn career is exactly four days old at this point, after a five year bartending career at the drinking establishments of Atlantic City NJ, a strip club and, lastly, a craft beer bar.

"I'm not dating anybody and I'm not obligated to anything," she says. "So I thought why not try it out and have some fun. I know how to make a mixed drink. I do have skills to fall back on."

Von Swine hoses down the pool deck to reduce camera glare. Then he shoots a 'tit-centric' video tease and moves inside to the environs of a spacious porn couch, upon which the magic will take place once again. Swine informs Amber that he's just going to turn her over to his buddy Sean and tells her to have fun with it.

"Personally I know that if I push your buttons it's definitely going to be better for the scene and it's going to be better for me," Michaels says calmly. "Just guide me along with what you like and have fun."

Swine reminds Sean that the title of this movie is *Boobaholics Anonymous* and that he needs to highlight the tits as often and as much as possible.

This brings us to the obvious: "Everybody keeps asking me if they're fake," says Amber. "And there was one company who made me test them to see if they were fake. They made me grab them and then they grabbed them and made me bounce them up and down. There were like, *We promote ourselves by only having 100% real girls, so we need to make sure. They're a pain in the butt and they're real!*"

Amber delivers a BJ and then, as they say at the Unwed Mothers' Miniature Golf & Future Meth Addict Developmental Home for the Intellectually Defective, one thing leads to another. And so it does. Sean Michaels wears her shades while she rides reverse cowgirl and she takes them back for a mid-scene BJ.

AMBER COX: I'm from Long Beach Island, New Jersey. It's different from Long Beach, New York. No, I don't know Snookie. That's forty-five minutes north of me. I just go to the beach too often. I'm German-English. I'm twenty-seven. My life before porn was boring. I'm too picky. I recently moved to Philadelphia. I just moved to Philadelphia so I like to go exploring the city. I usually do that on a skateboard. I long board around the city. It's fun, convenient and if it's beautiful out why not? I have a dog. I love my dog to death. She's a one-year-old Doberman Rottweiler mix. I'm always taking her to the beach and she goes on car rides with me and to dog parks. I'm kinda dorky like that. Not knowing too many people, you don't really go out very often. Kinda boring. Often I get hit on, especially with bartending. As the night goes longer you get people with more and more beer goggles. You deal with a lot of people who are being silly at night. So I've just learned to kind of close them out. I have a personal rule that I don't mess around with anybody that I've met in a work environment. So if I'm always working at night, it kind of kills it for me. You don't want to mess around with that. I've always been the girl with the boyfriend. I was always being good. It was like, why not? Have some fun. I was this way until I started doing porn. A good girl gone bad. Basically it's been fun. I mean, it's different. Not knowing somebody, it's like, *Oh, hi, how are you? I'm about to have sex with you.* That's about it. It's different. There's cameras, there's people around so it's more of an adventure, exciting. The first time I had sex in front of people it was nerve-wracking. I was terrified. I don't really watch porn or anything so I was like well, I know they make a ton of noise, so that's what I was doing. But everyone was saying no, just be yourself, don't do anything crazy. You don't want to be fake. I was like, oh, alright then, let's go! I typically cum during sex only. I'm difficult. That's pretty much the only time I can cum. I can't cum when somebody is going down. It really doesn't do anything for me. I do have to work my clit. I masturbate and I have a lovely little toy that helps me, a little vibrator with a fun shape. It hits all the right spots. It looks like a U-shaped thing. It's called a Wee-Vibe. I love it. Eight different settings. It's good stuff. It looks like a U and it goes in your G-spot and it comes out and hits your clit at the same time. And it's small. It's easy. It works lovely. In twenty seconds, you're done. In and out. ...My friends don't know what's up. Nobody knows. Except for one girl. My best friend, she knows. And that's it. Nobody. When the time comes I'll deal with it. You know, the area where I'm from, you just don't do these things. It's very frowned upon. Even if I was just taking nude photos, that would be frowned upon, so I don't know. The motivating factor for me to come out was a friend introducing me to Sophie Dee. So she said, you should come out, you'd like it, see if we can get you going. And that's what basically motivated me to get out here. I don't know what I'll do when I get back. I know my image will be out there. I know it'll happen. Sooner than later, probably. I don't know, until I reach it, that's when I'll deal with it. That's what I decided. My family is very conservative. My father is. So I'll really be on the shit list. I just decided to try it out, see how it goes. I just wanted to have some fun before I have to be serious. I did go to college. I have a degree and stuff. I'm just trying to enjoy myself before I have to settle down and get serious about working. I think this is a fun thing to do. If it happens, it happens. I'm just kind of living each day. ...The porn guys are experienced and in my experience so far, size...it's been very intimidating. I've been terrified. Like the boy yesterday said, *Give me your arm.* I said, *Why?* So he takes my arm and he puts his dick next to it and it's exactly the same size from here to here and I'm like, *Oh my god!* Evan Stone. He has like creepy costume ideas a lot. Blondish long hair, a little older. I was terrified of him. He was very nice though. He was like, *Oh, this is your second scene doing this so I'll take it easy on ya.* Prior to this, I hadn't had sex for a couple months so I went from nothing to something. A BIG something, so it was intense. I'm a tiny girl so I probably have a tiny pussy. Probably, I don't know. I was like, *HOLY SHIT!*

After the rest of the positions are eventually hit, it's time to determine the all important scene-capping money shot technology. Sean asks if she swallows and she says yes.

"Okay, just pull her down and cum just kind of goes everywhere," Swine explains to Amber. "You'll see. It's an open mouth facial. He's going to aim for your mouth and get as much in there as he can and cum flies everywhere. We don't have a targeting system on the end of our dicks to make sure that it hones in on the crosshairs, you know?"

Amber blows to a pop and follows instructions, leaving her mouth open. Michaels delivers as planned within a very appropriate time frame. Yes, male load dispersal is in an inexact science at best, but the good Lord knows we always try to do as well as we can with this directional challenge during the drama of orgasmic brain circuitry overload. Tried-and-true veterans like Sean Michaels, however, have had time over the years to perfect their equally important jizz-blast conjuring and aiming abilities and that's why they make the big bucks. Later, Swine asks what the secret is to his long career in porn and seeming perpetual youthfulness.

"For me, it's simple," Michaels says coolly. "Peace of mind and a piece of ass."

Then Swine shoots a postcoital interview with Amber in the official Beer Chateau™ pool.

"Amber Cox, today was your fourth scene and we're listening to Van Halen in the background," he says.

"I like Van Halen," replies Amber.

"Really?" says Tim. "Now you've rocketed even higher in my approval rating. So this was your fourth scene, how does this one rate so far?"

"It was pretty hot," she says.

"So you're willing to come back to the Chateau and working again?" asks Tim.

"Yes!" says Amber.

"All right!" shouts Swine. "For all the boobaholics out there—Amber Cox, we love you. God bless America and Van Halen!" 🐱
